

## **Program Director's Message**

Dear Applicant:

Thank you for requesting information regarding our two (2) year program in Radiologic Technology. The enclosed catalogue should provide you with some general information about this exciting field in Allied Health. Please detach the application from the center of the brochure, complete all the necessary information, attach the appropriate fee and submit it to the stated address.

Radiologic Technology offers you a future that is challenging and progressive. At the Long Island College Hospital's (LICH) School of Radiologic Technology, you will be prepared for a career in the Radiologic Sciences and some training in all specialty areas such as, Computed Tomography (CT), Magnetic Resonance Imaging (MRI), Mammography, Sonography, Nuclear Medicine and Bone Densitometry.

Applications are only accepted in the first quarter of each year and are processed on a first come first served basis. Because of this, it would be in your best interest to forward your application to the program immediately. The application deadline is March 30, 2005. Please follow the instructions contained in this packet to avoid delay in processing your application.

Once your application and supporting documents are received, you will be scheduled for an entrance examination. If you are in need of any additional information, feel free to contact the school office at (718) 780-1681 Monday through Friday from 9:00 AM to 4:00 PM. Thank you for your interest in our program.

Sincerely,

S. Sergeo Guilbaud  
Education Director  
School of Radiologic Technology
